Top Assembly

The blocks are assembled in rows on-point. Follow the illustration for the placement of the right and left blocks. Corner Triangles are abbreviated to CT and Setting Triangles to ST.

1. Lay out the rows as shown below alternating the left and right, red and blue blocks and adding the corner and setting triangles as illustrated.

2. Sew rows together. Press.

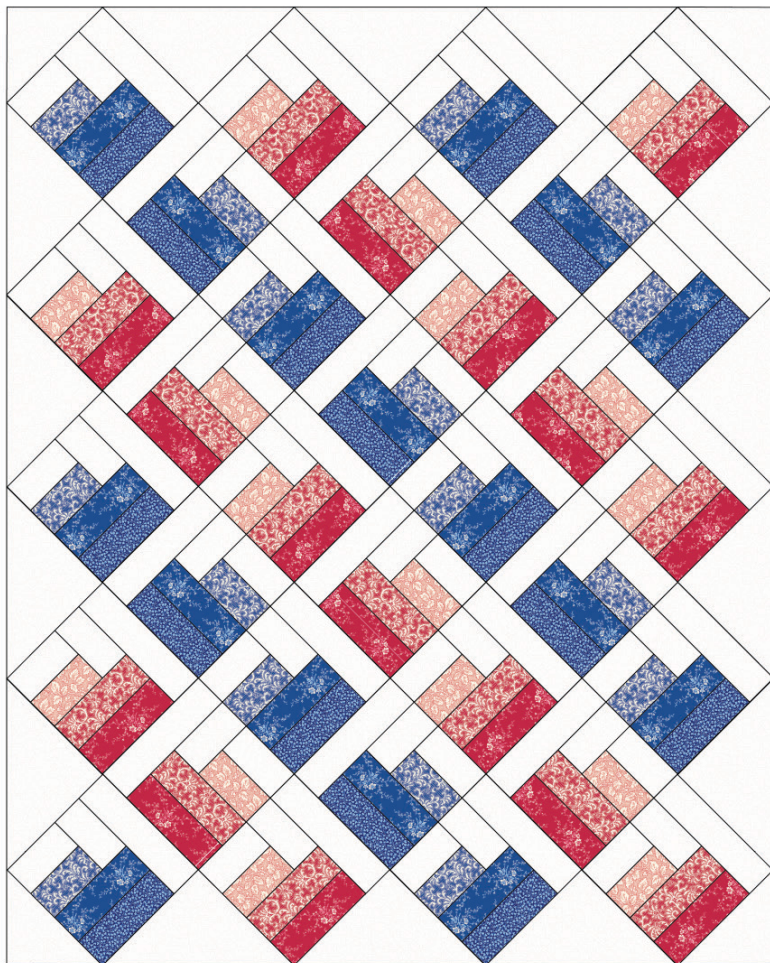

3. Sew row to row. Press.

Top Assembly (Continued)

Measure the width of the quilt top. Cut the bottom border to this measurement. Sew the border to the bottom of the quilt.

For best results, pin the center of the border to the center of the quilt top and pin out to the edges.

Bottom Border *Measure your quilt top

Finishing

1. Layer the backing (wrong side up), batting and quilt top (right side up). Baste layers to secure. Quilt as desired. Trim the excess backing and batting.
2. Sew the binding strips together into one continuous strip. Press in half length-wise. Sew the binding to the quilt top with a 1/4" seam allowance. Turn the binding to the back side of the quilt and stitch down by hand with matching thread.
